

REC'D APR 1 2008

March 28, 2008

Subject: Macon Inc. of SW Florida

To Whom It May Concern:

Boran Craig Barber Engel Construction Co. Inc. is pleased to have Macon working as one of our subcontractors. Macon has been an outstanding subcontractor on many of our projects. Their commitment to meeting the client's expectations has made them one of our preferred subcontractors.

Their hard work and commitment to the job enables them to complete a job on time and in most cases beat the schedule. All of this is done without sacrificing their attention to detail and focus on all work being plumb and true. They are also able to meet and go above our requirements for site safety and cleanliness.

We would be pleased to provide any more information that you may require on Macon and would highly recommend them as a preferred subcontractor.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew Twetan", written over a horizontal line.
